- Individual Race Winners receive their Sash and Trophy at the Annual Presentation Night, Saturday 5th October 2013 @ Club Italia Sporting Club.
- Novice prize money is paid to the first Unplaced Novice outside the prizemoney for that day ie a member who has never won a club race.

Tired of Running in Red???

- You can change the colour of your singlet by seeking out a sponsor!
- For a donation of \$100 to the VCCL a business can sponsor an individual member of the Club. This means you could be wearing a Sponsor's singlet for a season, as long as it has your VCCL registration number clearly visible on the front.
- The Club member will undertake to wear the Sponsor's singlet for all VCCL races in which they compete. The onus is on the sponsor to provide a singlet of their choice, with their appropriate logos, and to ensure that the Member's registered number is affixed to the front.

Handicap System

- Handicapping Panel for 2013 – Dennis Hughes
- The VCCL Handicapper assesses and allocates competitors a handicap rating (spot) according to ability, age and race distance.
- All races incorporate a handicap – the aim being to get all competitors to cross the finish line together.
- Runners starting before their allocated handicap time will be disqualified.

Appeals and Protest Committee

- Appeals and Protest Committee – Sean Quilty, Tony Rendina, Roy McKenzie.
- Duties of Committee:
 1. To handle all protests over race results, interference or any other matter that may come before them.
Protests must be lodged with one of the Appeals Committee or any acting official immediately upon completion of the event.
Protests shall be handled on the day of the event.
 2. To hear all appeals over dissatisfaction with handicap marks and report findings and recommendations to the Handicap Panel.
Appeals relating to Handicaps will not be discussed unless forwarded in writing to the Appeals Committee via the Secretary together with a fee of \$20.00 (which will be returned if such appeal is not considered frivolous).
- Their decision will be final and binding.

Victorian Cross Country League 2013

HANDICAPPING GUIDELINES

The committee of the Victorian Cross Country League in conjunction with the handicapping panel believe that it is in the best interests of members to adhere to the following guidelines:

- The entire field will be reassessed at the start of each season.
- Eaglehawk to Bendigo & Norm Charles handicap will be handicapped differently to all other races during the season. Runners that have shown competitive form will be given every opportunity to be competitive in our two main events.
- It is advisable that runners who are injured or have raced the previous day, but still wish to race, advise the panel that they may not be racing at their best.
- The handicapping panel, if competing, are ineligible to receive any handicap prizemoney.

VCCL SOCIAL COMMITTEE

- A dedicated group of volunteers, not necessarily competing members, give their time each week to provide refreshments at the end of each race.
- Refreshments for sale generally includes hot/cold food and drinks.
- The Social Committee also conduct a raffle at each race.
- Please assist the Social Committee if you can.
- Enjoy the post race atmosphere – Race presentations, refreshments, raffle, chit chat.
